

Elena Pistruga

ASPIRING FRONT-END DEVELOPER

Executive Profile

A talented and proactive individual with over 4 years of hands-on project management experience in Executive Search, aspiring to become an expert Front-End Developer with a keen eye on design and UI/UX.

In 2018, I have left for maternity leave and have decided to review my career goals. I have used this time to learn Web Development at Tekwill Academy, have taken a couple of courses on Udemy and Pluralsight and have built a couple of projects in order to improve my tech knowledge.

With excellent time management, communication and problem-solving skills I am continuously improving my knowledge.

A professional with sharp attention to detail and a high ability to learn, capable of delivering best results in time.
