Work Background

Research Associate
Pedersen & Partners, Chisinau & Singapore

September 2014 - January 2018
- Worked closely with Consultants and Partners and defined successful assignment execution strategy. Was successfully closing 10+ projects per year
- Performed thorough market research and actively managed 4-5 projects at the same time
- Advised and supervised 1-3 research analysts in order to build the long-list of candidates for the searches
- Got in contact with candidates by phone, email and professional networks, as well as conducted pre-screening interviews with candidates
- Scheduled interviews for the candidates and Consultants
- Drafted assessment reports, progress reports and performed occasional reference checks for candidates

Research Analyst, Shared Resources Center
Pedersen & Partners, Chisinau

September 2013 - September 2014
- Verified, modified and codified information into Executive and Company database
- Obtained valuable information about companies and executives from cold-call and internet
- Identified candidates and companies for search projects

Sales Agent
Brainstorm Cafe (ex-Erudit Club), Chisinau

March 2013 – September 2013
- Helped customers buy great boardgames that satisfy their needs
- Took orders from customers and delivered snacks and beverages at a timely manner
- Occasionally managed administrative tasks to support great operation of the cafe and shop

Call-Center Customer Service Specialist
BC "Universal Bank", Chisinau

June 2011 – November 2011
- Offered client support of the electronic payment terminals U-Pay by phone
- Provided consultancy and information to clients regarding products and promotions of the Bank by phone
- Performed additional administrative tasks
